ABOUT ME

I am Ather Usman, a dedicated Frontend Developer with core skills in modern web technologies. I am motivated to learn, adapt, and contribute effectively while growing through real-world internship experiences. I aspire to leverage my skills to build impactful and user-friendly web applications.

EDUCATION

GC University Faisalabad | 2022-2026

BS-Information Technology

Currently pursuing a Bachelor's degree in Information Technology with a strong focus on software development, web technologies, and problem-solving. Gaining both theoretical knowledge and practical skills to build a successful career in the IT industry.

Intermediate | 2020-2022

Pre-Engineering

Completed Intermediate in Pre-Engineering with a strong foundation in Mathematics, Physics, and Computer Science. Developed analytical and problem-solving skills that support my journey in Information Technology.
